

There is no parking by the WGHS hall **(A)** so you may choose to park in any of the three areas shown on the map and described below:

B – Free car parking by the Sovereign Assurance building and in the area bounded by Taharoto and Shakespeare Roads. Cross the road carefully, down the stairs to the front entrance to the hall.

C- Go through major intersection and take entrance into WGHS on left by traffic lights. From here it is a short walk along the road or through the school to the front of the hall

D- Drive toward the Smales Farm bus station and at roundabout turn into school and park by the Gernhoefer Administration building. From here walk on the left side of the building and follow partially covered walk way to hall.
